The Cummean Sybil - Unframed

\$300.00

This gift to Friends of Dreadnaught was printed in 1981 to honor the community the design studio felt part of, the individuals of like mind brought together to make literary and fine press art. The traditional story presents a puzzle involving the perception of value, decisions around what is precious. Illustrated with 52 zinc engravings of paper cut-outs by Ludwig Zeller, the type is handset Joanna.
